# The Great Taffy Heist

JUNIOR SLEUTH

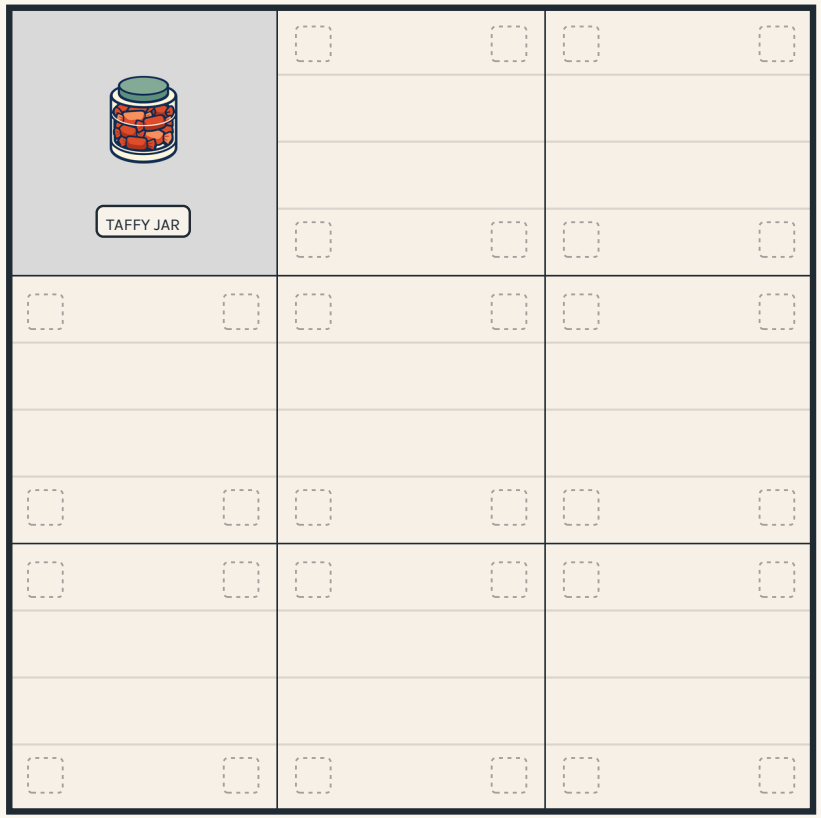

The boardwalk candy shop's prize-winning saltwater taffy has vanished, minutes before the seaside fair's judging. Three people were in the shop: Gus the lifeguard, Nadia the ice-cream vendor, and Wendell who runs the Ferris wheel. The taffy jar normally sits on the counter by the entrance. But who did it?

## WHO DID IT?

**Clues:**

- Gus was standing all the way on the right side of the shop.
- Nadia was neither all the way at the front nor all the way at the back of the shop.
- Nadia was standing to the left of Wendell.
- Wendell was not all the way at the front of the shop.
